

CONGO

COFFEE PROJECT

An exclusive blend of coffee beans that will benefit our East African producer partners: the mothers, sisters, and daughters who have been affected by the ongoing sexual violence in the Democratic Republic of the Congo.

Equal Exchange will donate \$1.00 per bag of Congo Coffee sold to the Panzi Foundation through our wholesale program, and \$2.00 per bag sold through our retail website. Each one pound bag of Congo Coffee contains a smooth and balanced blend of African whole beans.

The Congo Coffee Project was created by Equal Exchange in partnership with the Panzi Hospital in the D.R. Congo, which offers programs for more than 2,000 survivors of sexual violence each year. The hospital provides life-saving treatment, counseling, and aftercare programs for women and others in need of healing.
